Leap Clinic

New · Launch

Meet Leap Clinic

One app for the desk, the doctor and the dentist. Built for GP and dental practices in Lebanon.

What's inside

One app, the whole clinic day

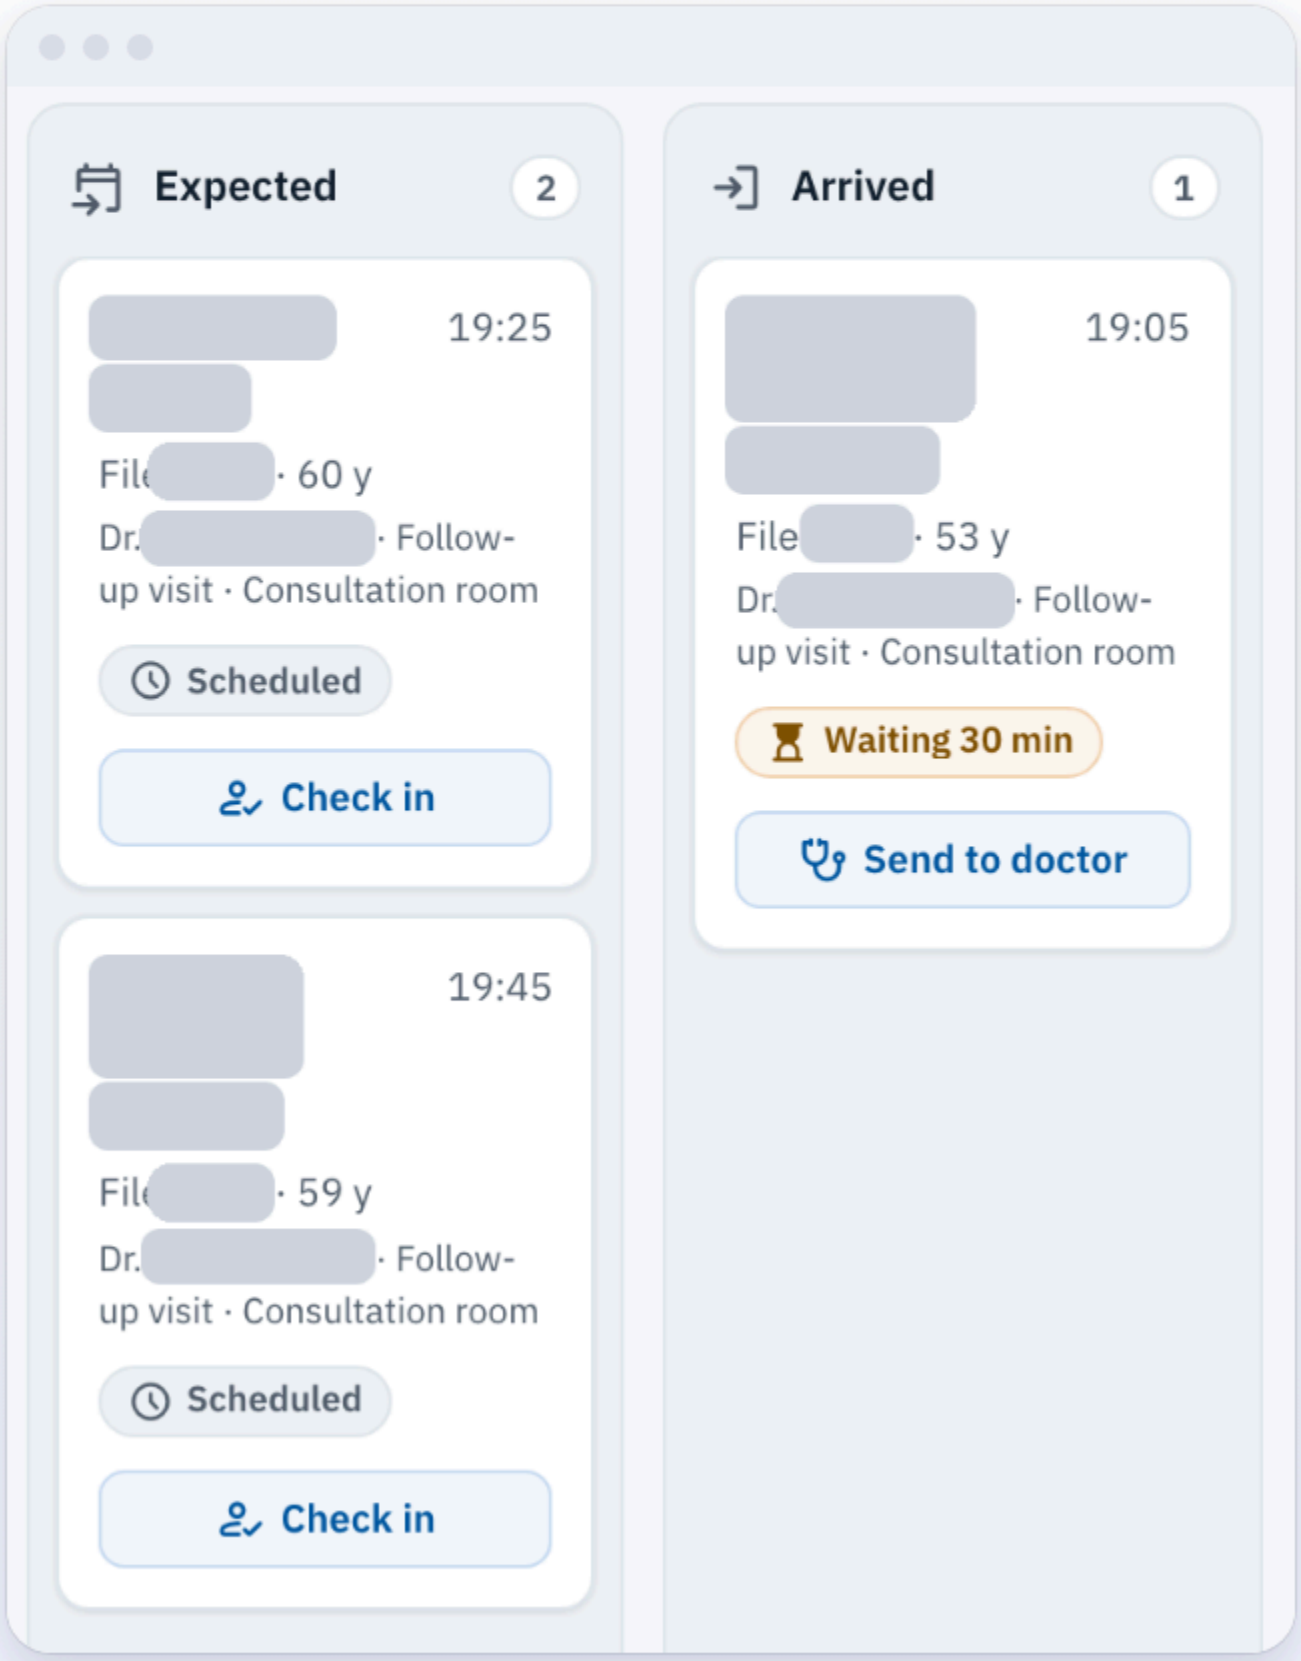

- ✓ Today board, walk-ins and the doctor's queue
- ✓ Visit notes, prescriptions and certificates
- ✓ USD + LBP desk, receipts and day close
- ✓ NSSF, COOP, GlobeMed and NextCare claim packs
- ✓ Dental chart, plans, quotes and lab cases
- ✓ Arabic + English, 2FA and an audit trail

Screens show demo data.

Desk

Every patient's step on one board.

Booked, arrived, with the nurse, with the doctor, at the desk.

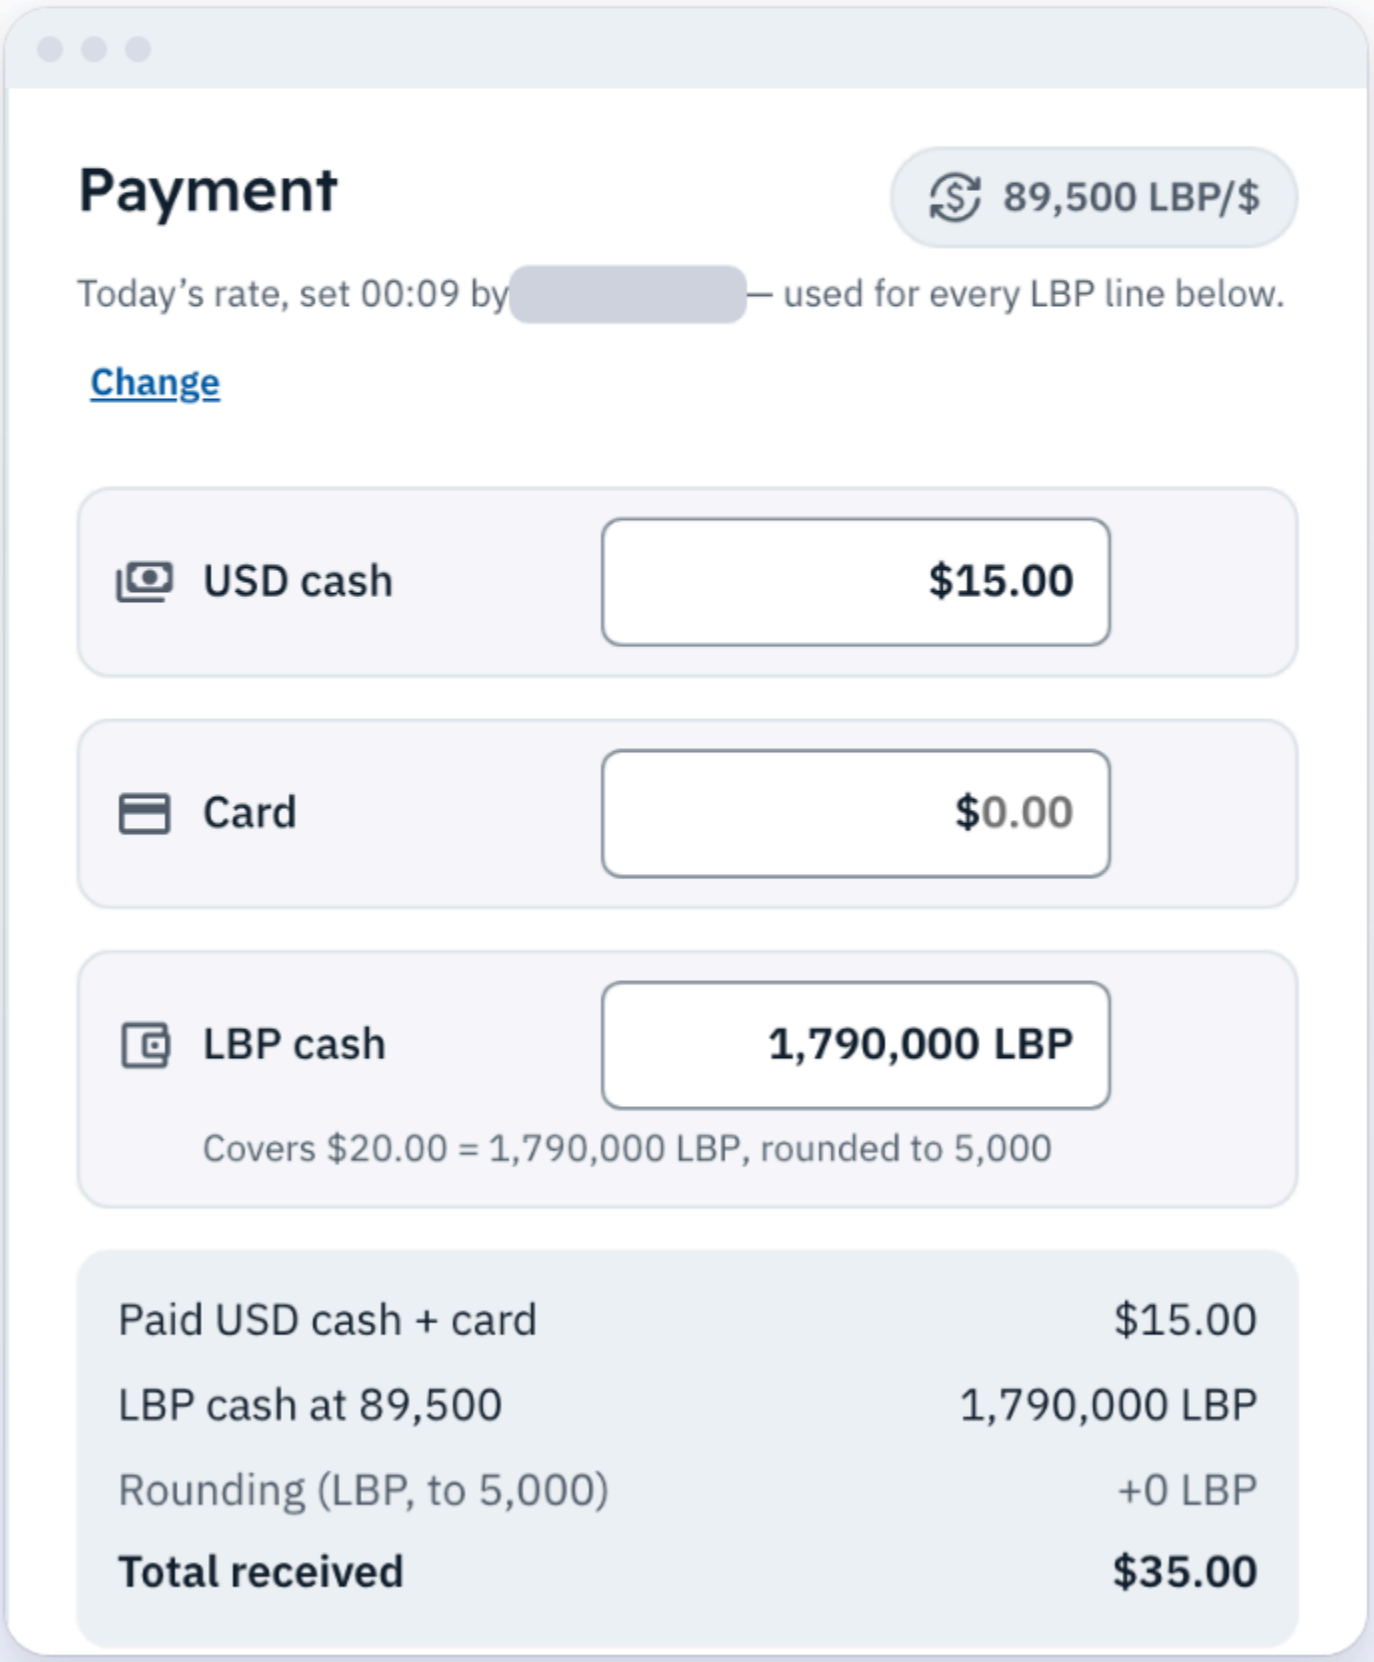

Leap Clinic

Screens show demo data.

Money

USD and LBP on the same visit.

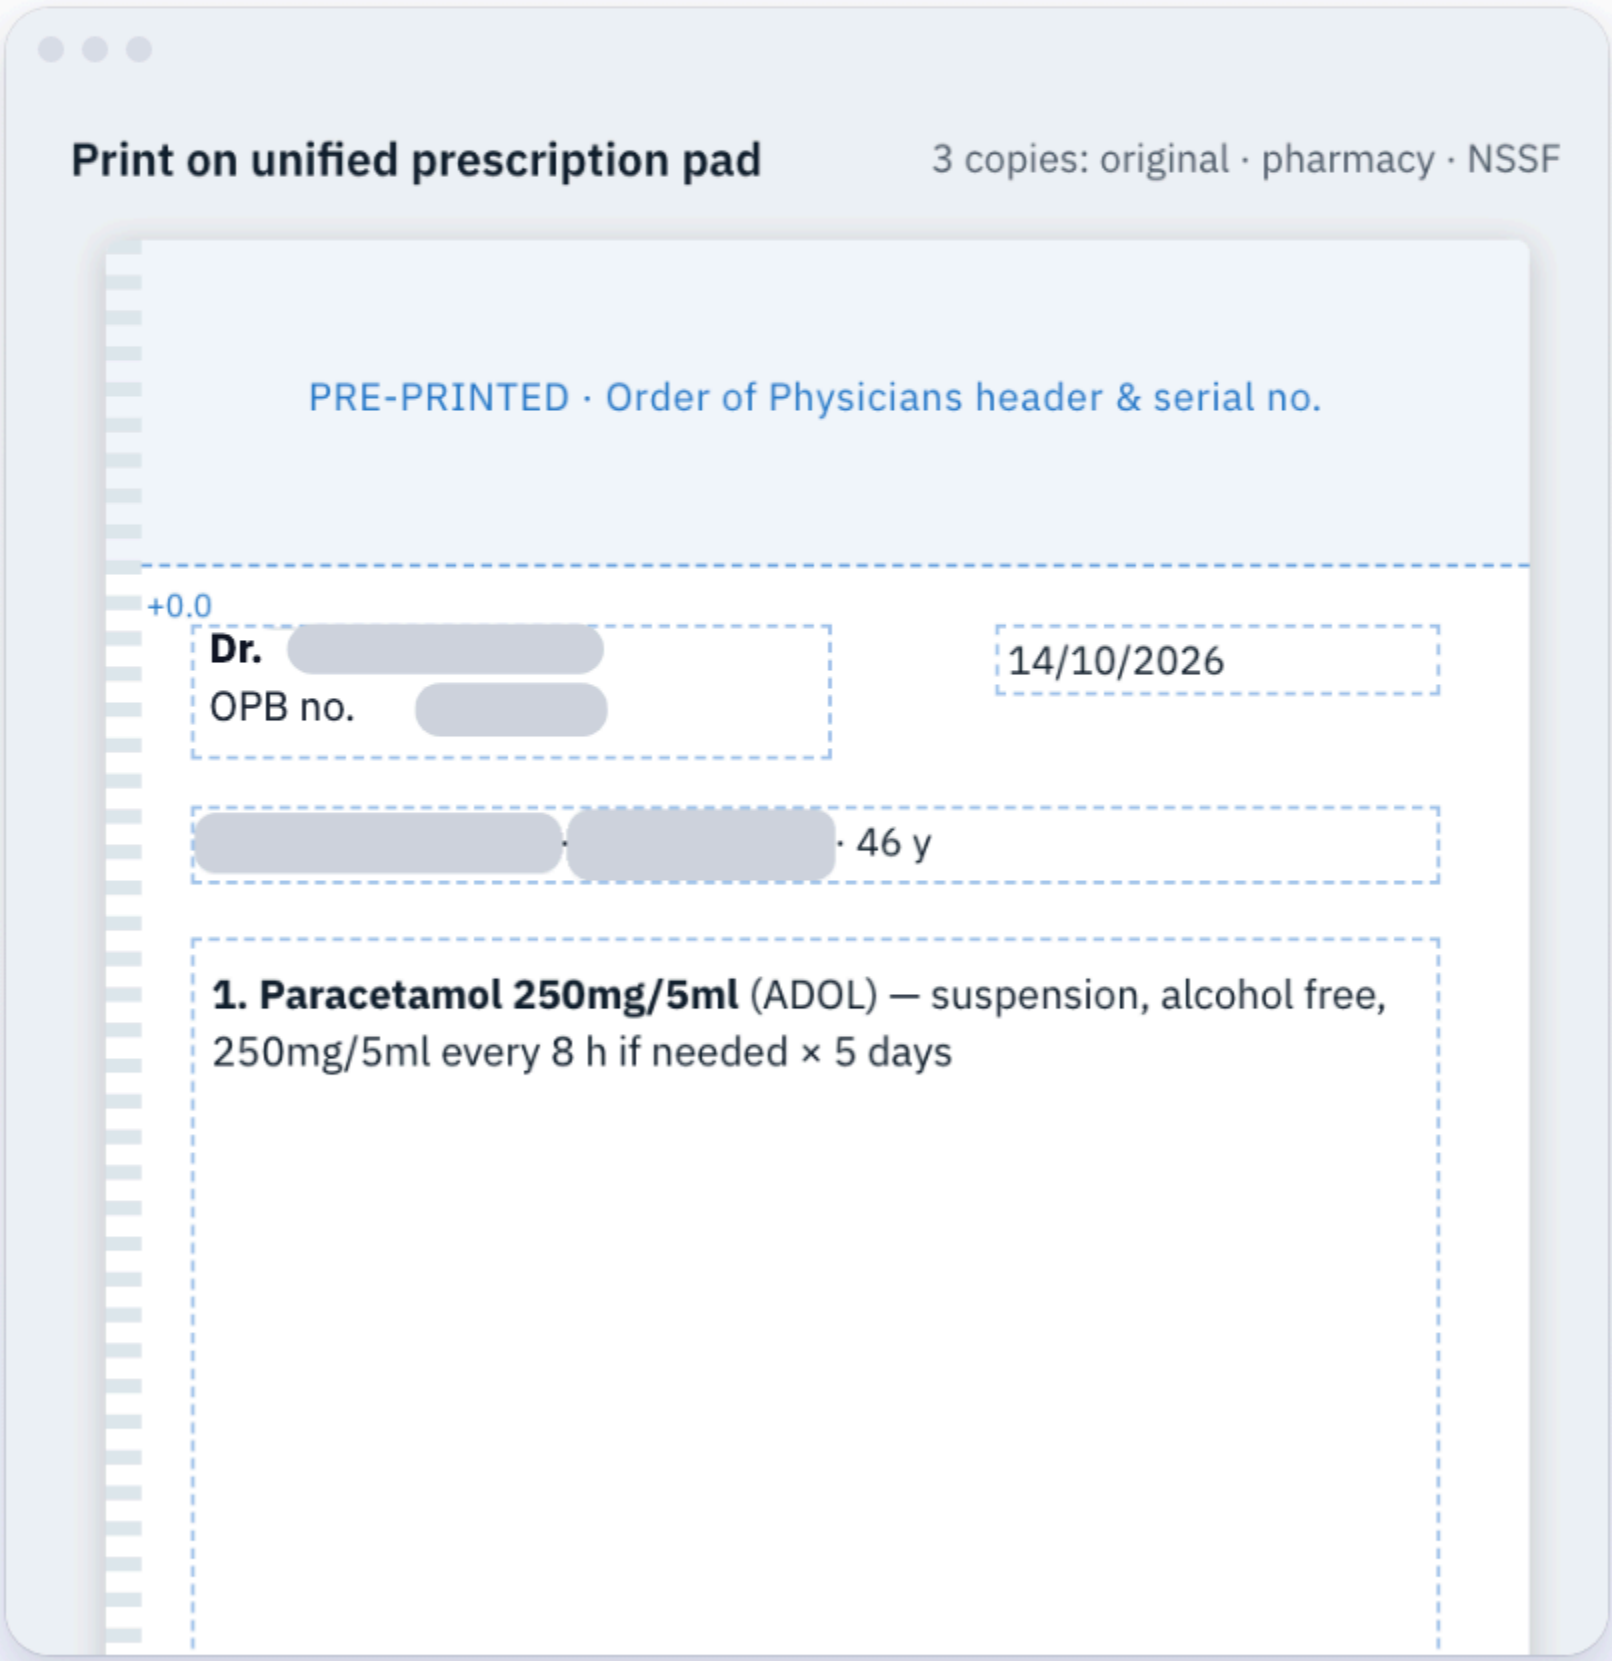

Set today's rate once. The totals are worked out for you.

Doctor

Prints onto the unified prescription form.

The form you already buy, in overlay mode.

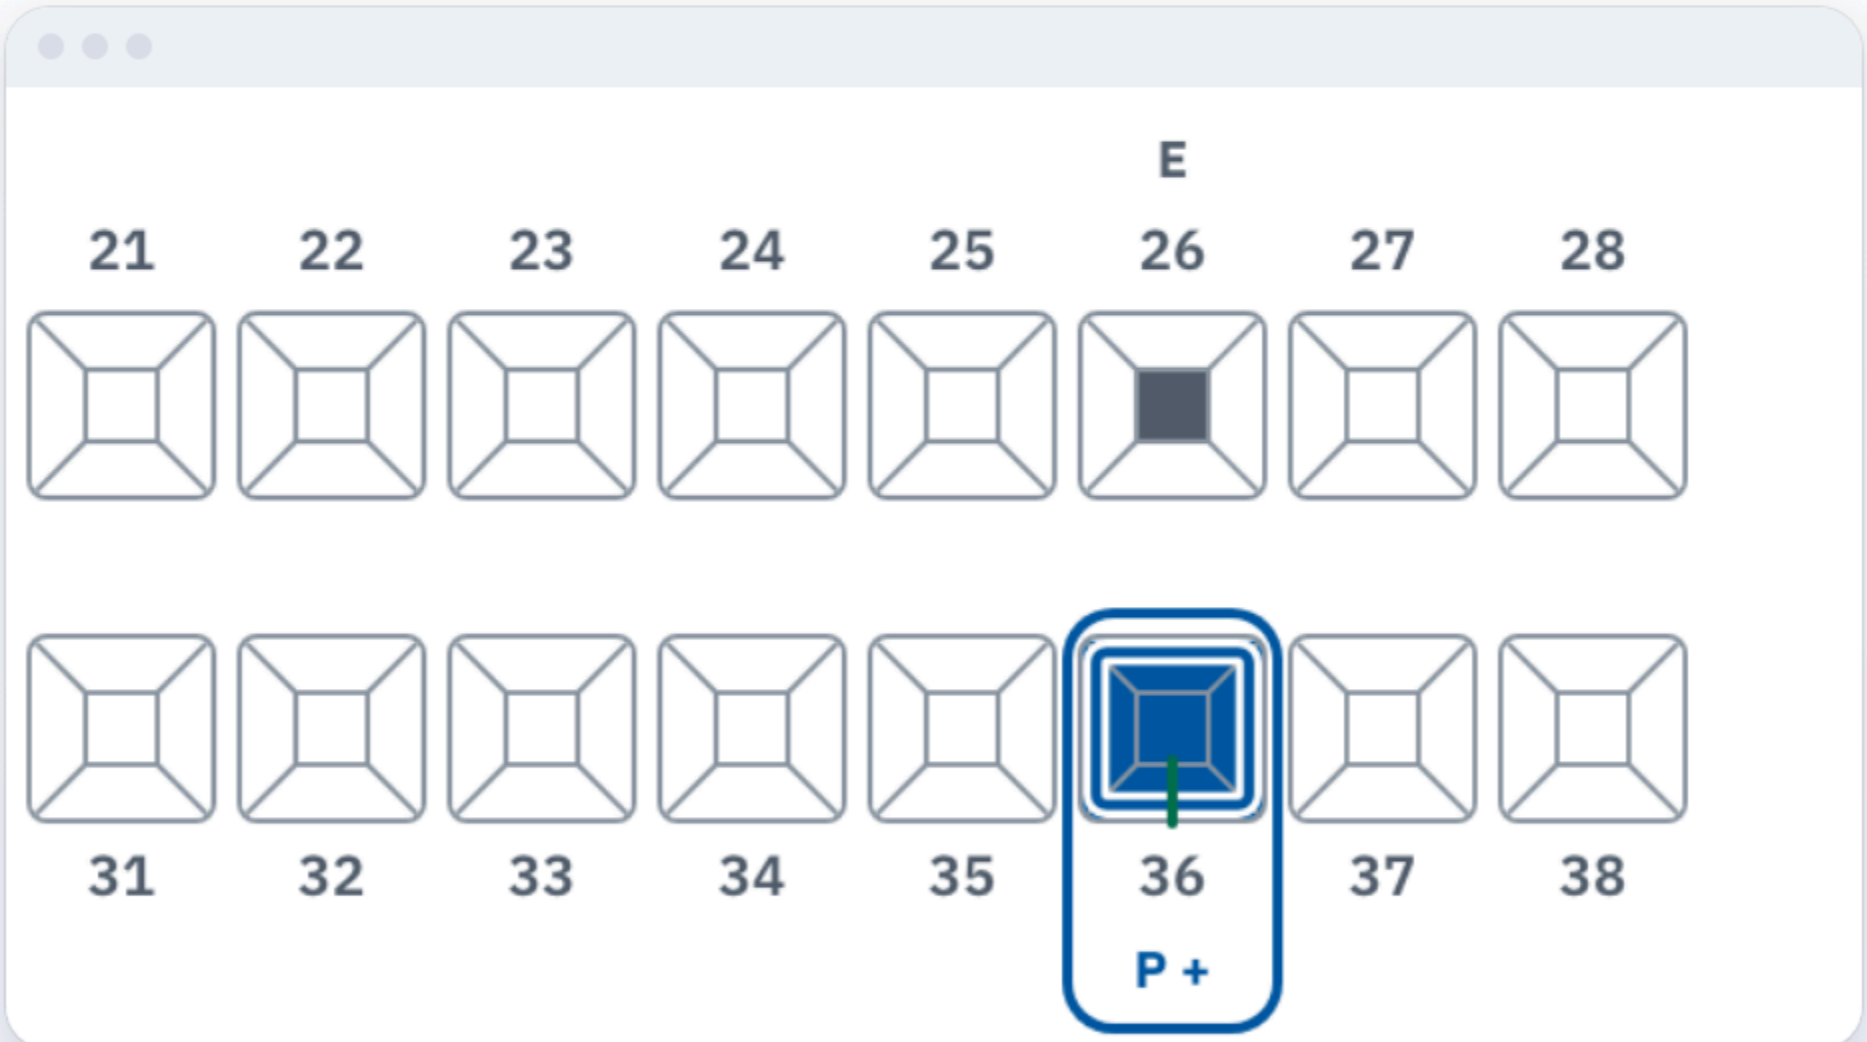

Leap Clinic

Screens show demo data.

Dental

Chart by tooth and surface.

Then a phased plan and a priced quote.

Leap Clinic

Screens show demo data.

العربية

Arabic or English, one switch.

Full right-to-left, Western digits.
