Leap Clinic

Dental, step by step

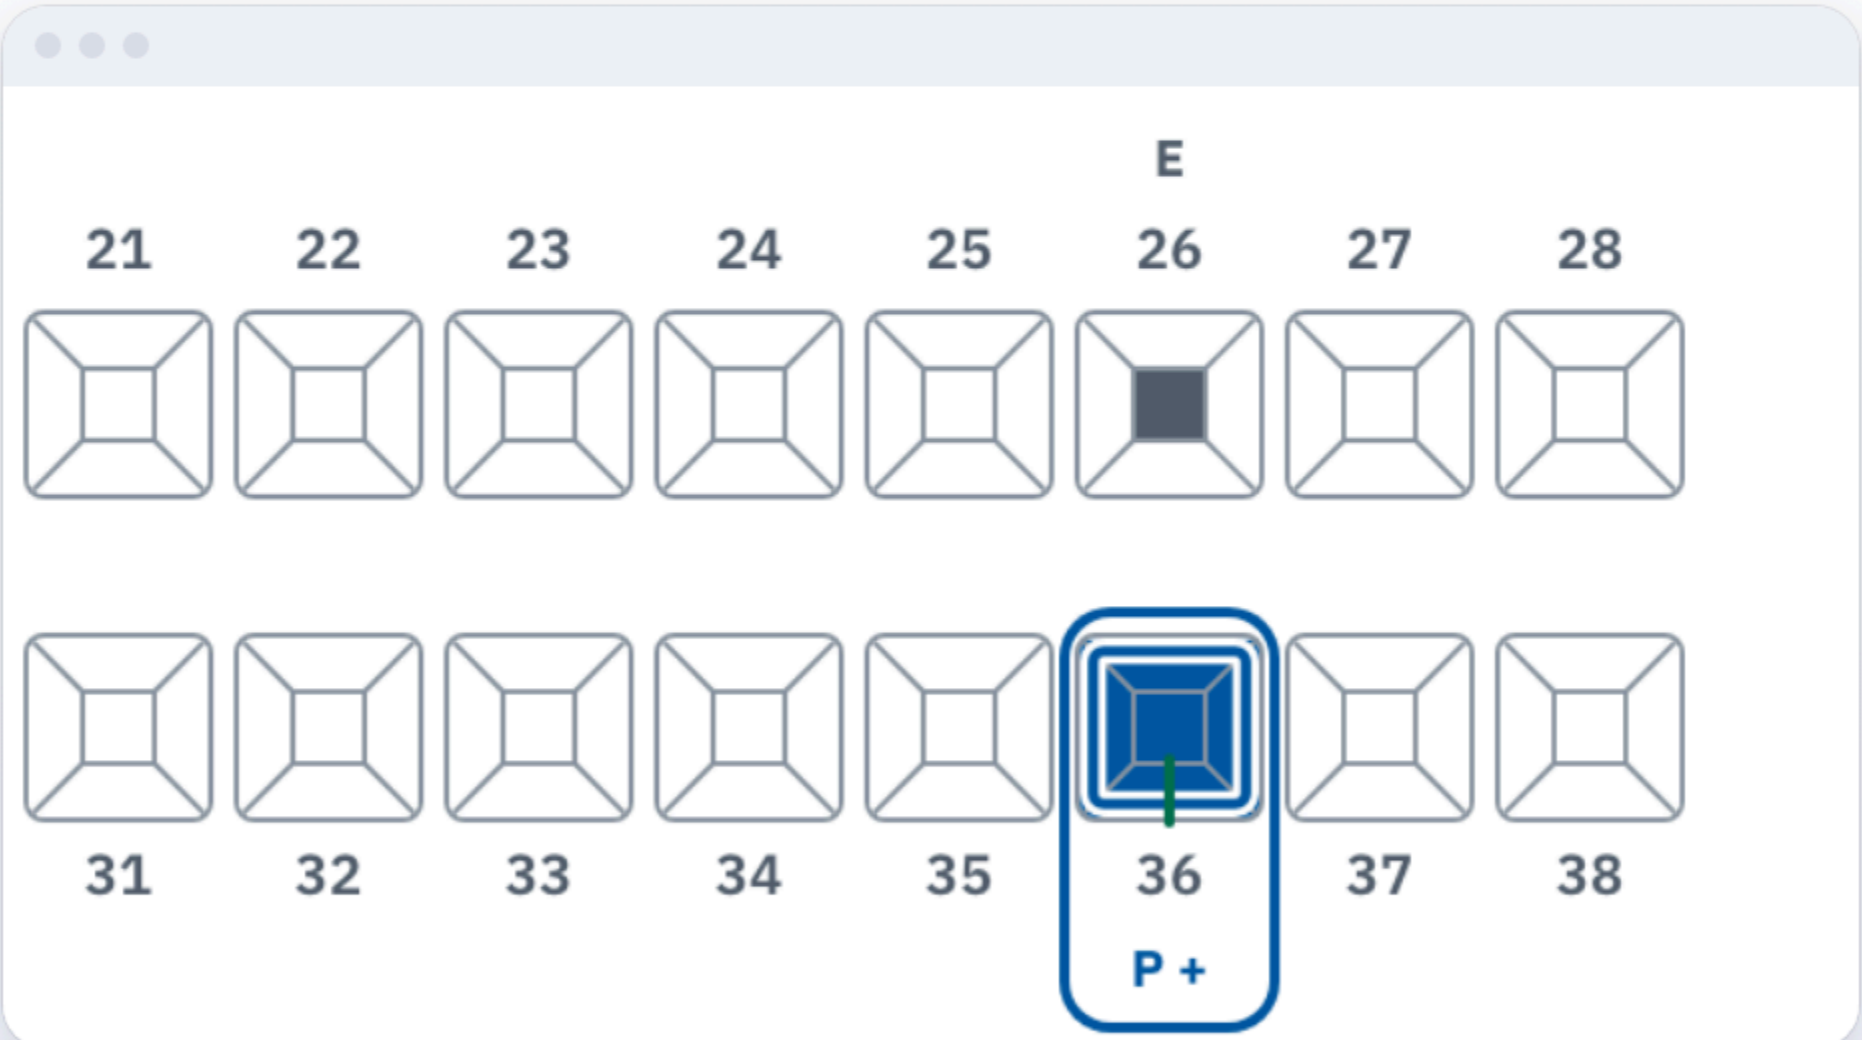

Step 1/9: open the tooth chart

In a compact diagram or an anatomical view.

1/9

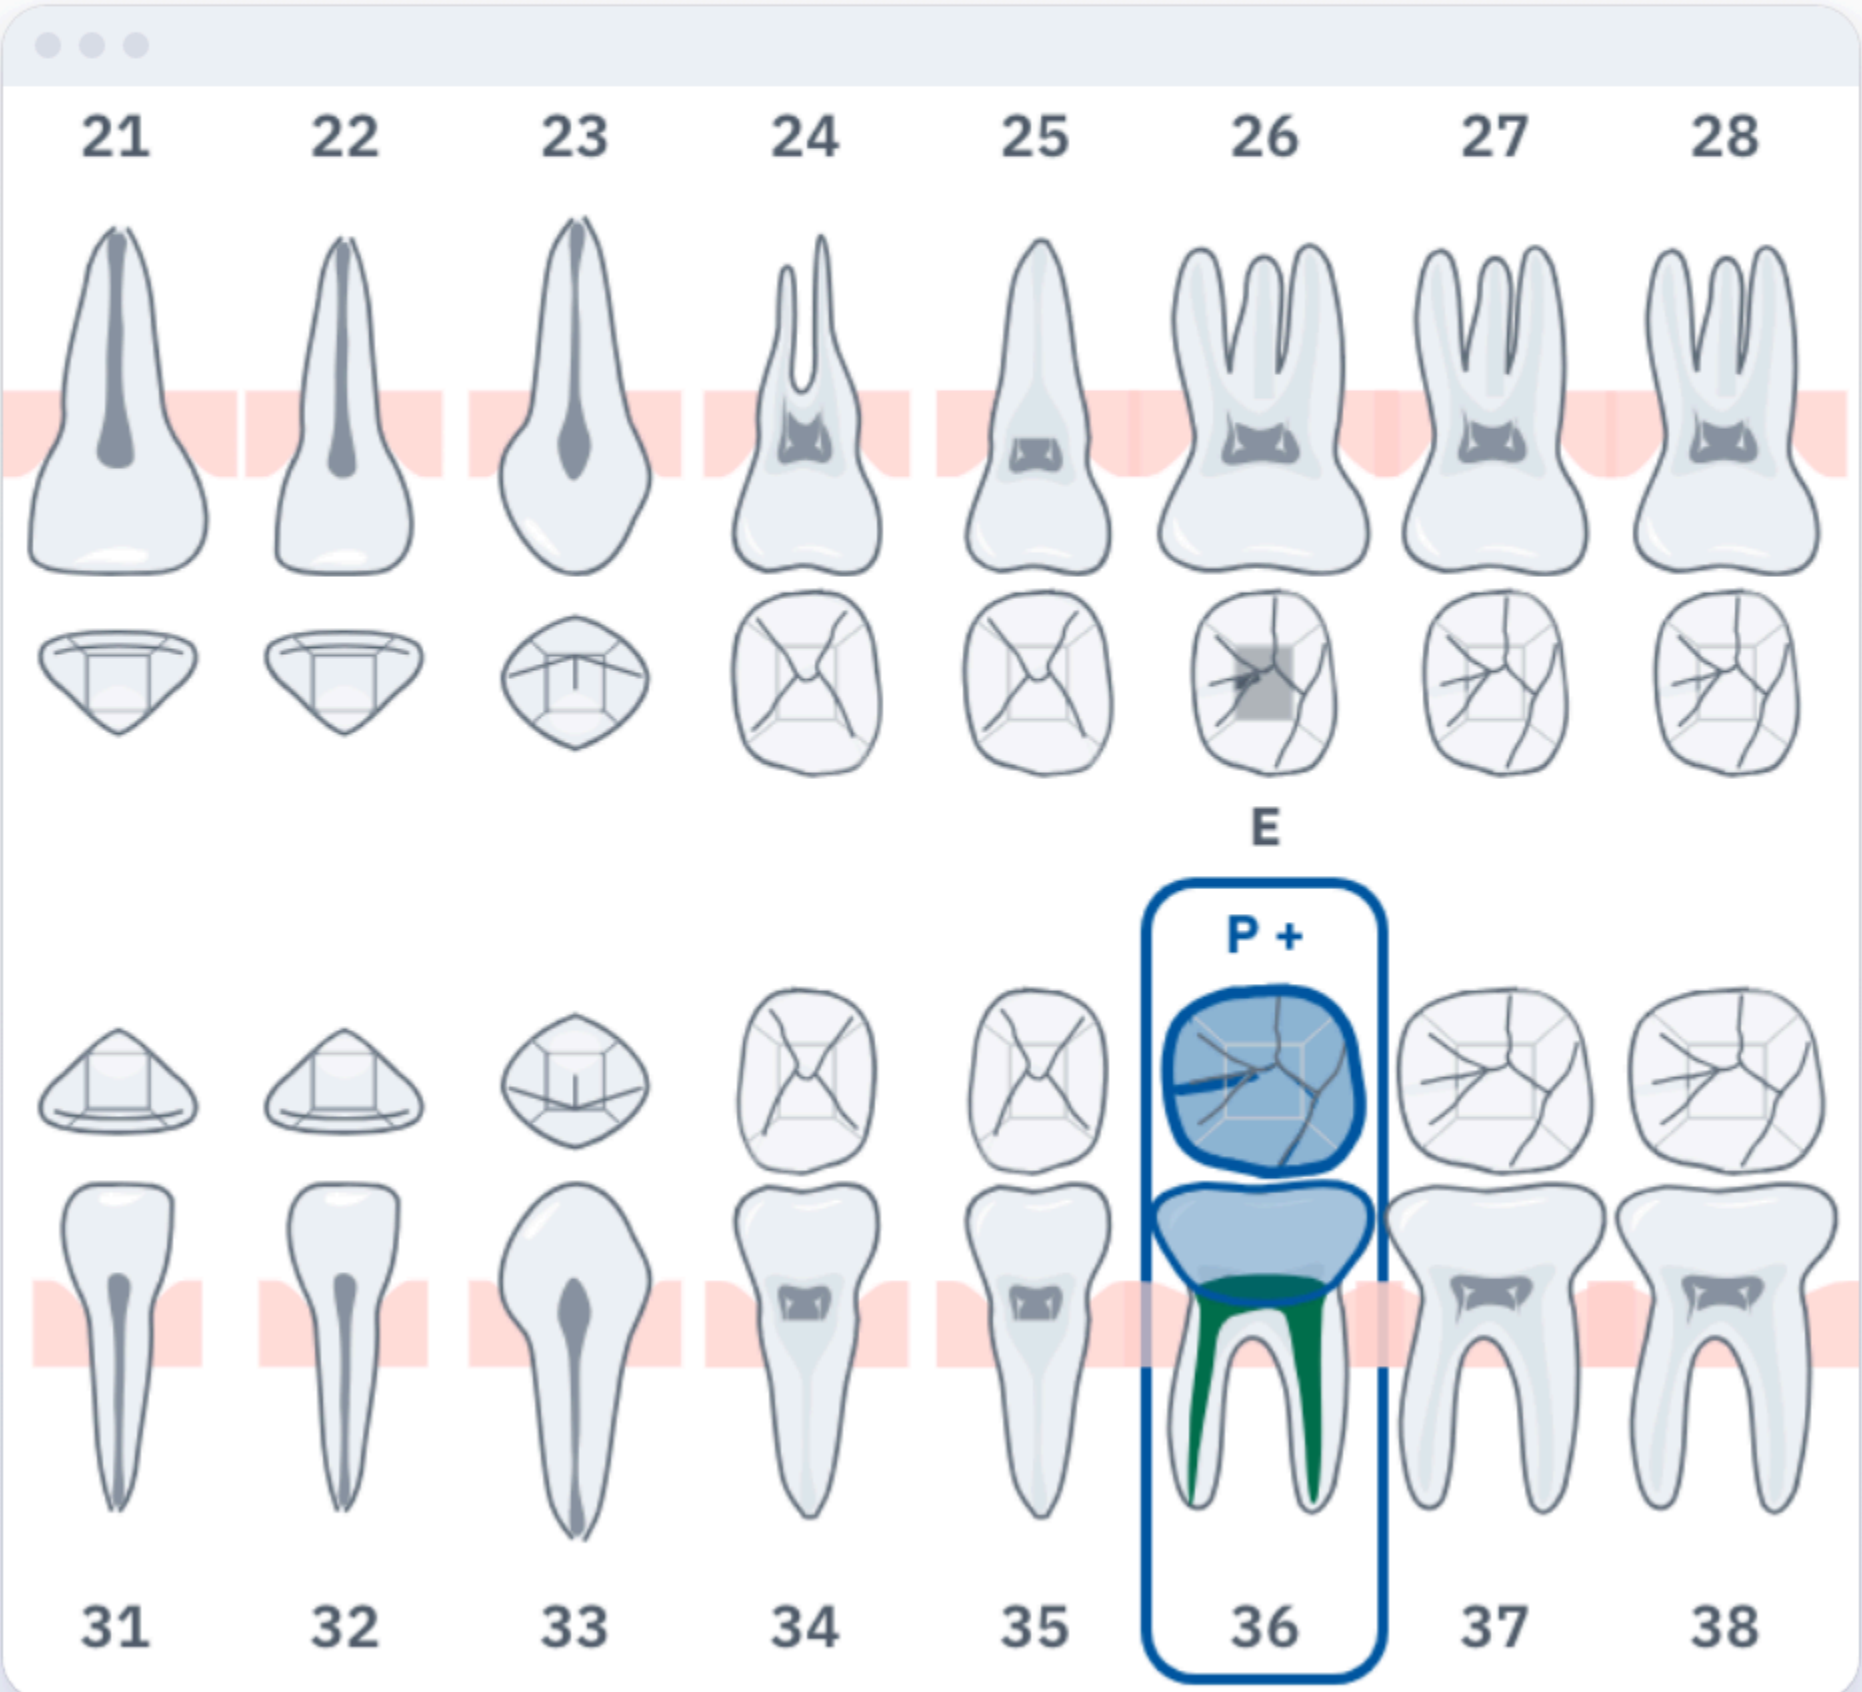

Diagram view

By tooth and surface (FDI numbering).

Anatomical view

The same mouth, drawn as teeth.

1/9

The selected tooth, close up

Root and surfaces.

Step 1/9

The tooth chart

- ✓ Chart by tooth and surface (FDI)
- ✓ Diagram and anatomical views
- ✓ Fillings, crowns and planned work at a glance
- ✓ Next: findings, then the plan and quote
